

## 10Best Readers' Choice Awards

Now is the time to voice your choice! We're asking readers to help us pick the 10Best. Our travel experts select the top 20 nominees in contests covering food, lodging, destinations, travel gear, things to do...the list goes on. Then it's up to you to make the final decision by casting your vote.

## No. 10: David J. Danto

Finally on our list is David Danto. He blogs just about weekly for the travel website JoeSentMe.com, as well as writing about business travel and technology on his own site Danto.info.

Our readers commented that his insights often stray from the typical coverage of experiences and events and provide insights that only a real traveler could come up with. His blogs are typically well written and filled with humor when appropriate, and the indignation of a customer when wronged.
